

Kalyanraman Bharathan, Ph D

Kalyanraman Bharathan, Ph D, is Project Director for the Southern Arizona Health Information Exchange Project (SAHIE). He has been on the Management Team at University Physicians Healthcare (UPH) since 1998, and is currently Executive-on-Loan to SAHIE.

He has been associated with healthcare informatics, process improvement and quality improvement since the early 1990s. He was a consultant to the College of Medicine of the University of Arizona, then a member of the faculty there, before joining UPH as Director of Quality Improvement.

Dr Bharathan has worked on the knowledge extraction, design, verification and validation of Second Opinion™, a rule-based expert system to aid in identifying incipient stuttering among young children.

Dr Bharathan has a Ph D in Economics and a Master's in Systems Engineering, and has publications in both disciplines spread over the past three decades.
