

SUMMIT SPEAKER BIOGRAPHY

Kalyaraman Bharathan, PhD
Project Director, Southern Arizona Health Information Exchange

Kalyanraman Bharathan, PhD, is Project Director, Southern Arizona Health Information Exchange Project (SAHIE). He has been on the management team at University Physician Healthcare (UPH) since 1998, and is currently Executive-on-loan to SAHIE.

Dr. Bharathan has been associated with healthcare process improvements and quality improvement since the early 1990s, first as a consultant and then as a member of the faculty in the College of Medicine at the University of Arizona before joining UPH as Director, Quality Improvement.

Dr. Bharathan has worked on the knowledge extraction, design, verification and validation of Second Opinion™ a decision support system to aid in identifying stuttering among young children.

He has an academic background in economics and systems engineering, and has publications in both fields.
